

FLOWMETERS/FLOWMETER REGULATORS

Tenacore offers all models of Flowmeters and Flowmeter Regulators.

- Flowmeter Regulators
- Heliox Flowmeter Regulator
- Oxygen Flowmeter

Our pressure compensated Flowmeters are engineered to the highest standards of performance and accuracy. You will find compatibility with all standard hospital wall outlets in either single or double Flowmeter models.

Substantial cost savings without the hassle of dealing with the OEM directly.

- Air Flowmeters also available.
